

## Equality and diversity policy

Our vision is for Swedish Smile Clinic to be a successful, caring and welcoming place for patients to receive dental care and advice. We want to create a supportive and inclusive environment where our staff can reach their full potential and care is provided in partnership with patients, without prejudice or discrimination. We are committed to a culture where respect and understanding is fostered and the diversity of people's backgrounds and circumstances will be positively valued.

This policy will help us to achieve this vision.
